

DMG MORI

AKTIENGESELLSCHAFT

Attractive Employer: At DMG MORI apprentices are readied early for Industrie 4.0. Laura Hermann und Dimitri Guloglou program the DMU 50 – a universal milling machine for 5-axis-machining – via the innovative APP-based control and operating software CELOS.

DMG MORI

AKTIENGESELLSCHAFT

Successful business development: The DMG MORI AKTIENGESELLSCHAFT continues its growth trend. Chairman of the Executive Board Christian Thönes announces new record figures for order intake, sales revenues and earnings in the first half year.

DMG MORI

AKTIENGESELLSCHAFT

Future-oriented technologies: The DMU 105 FD monoBLOCK permits complete machining of work pieces up to 5,000 kg via turning and milling in one machine. The 5-axis universal machining centre is used, i.a. in the aerospace as well as in tool and mould making industry.
