

DMG MORI

AKTIENGESELLSCHAFT

Highly-skilled young employees: More than 396 apprentices and trainees are learning on high-tech machine tools at DMG MORI. At 10%, the training ratio in our German production plants is significantly above the industry average.

DMG MORI

AKTIENGESELLSCHAFT

Production of the future: The production plant FAMOT in Poland was extended and continuously digitized: from the planning and preparatory work to production and monitoring through to service. It was presented at the Grand Opening on 8 October. With this digital factory of the future we are setting standards worldwide.

DMG MORI

AKTIENGESELLSCHAFT

Achieved a lot and demonstrated innovative power: DMG MORI can look back on a very successful, eventful financial year 2018. Chairman of the Executive Board Christian Thönes announces record figures for order intake, sales revenues, EBIT and free cash flow.
