

DMG MORI

AKTIENGESELLSCHAFT

Made in Africa for Africa by Egypt: DMG MORI is building Africa's first machine tool factory in Cairo. This was officially decided at a meeting with Egypt's President Abdel Fattah El-Sisi (center). In the presence of Prime Minister Dr. Mostafa Madbouly (3rd from left), Chairman of the Executive Board Christian Thönes (3rd from right) and AOI President Lt. Gen. Abdel Moneam Al Tarras signed a groundbreaking cooperation agreement.
