

DMG MORI

AKTIENGESELLSCHAFT

100% climate neutral: Sustainability is part of DMG MORI's DNA. Both the "Company Carbon Footprint" and the "Product Carbon Footprint" are already climate neutral today. DMG MORI is also one of the TOP 17 companies out of more than 1,000 applicants nominated in the area of climate protection for Europe's largest sustainability award.

DMG MORI

AKTIENGESELLSCHAFT

DMG MORI Partner Summit: DMG MORI honored five companies with the "Partner Award 2021": Siemens, Matsue Yamamoto, Pragati Automation, Fuchs Petrolub and Integrity Next.

The advertisement features a central graphic of a computer monitor, a tablet, and a smartphone displaying the myDMG MORI website. To the right, there are icons for ISTOS, TULIP, and WERKBLIQ. Below the central graphic is a QR code and the website URL DMGMORISTORE.COM. Two industrial machines are shown at the bottom right, one with a 'NEW' badge. The background is a dark blue with a grid of hexagons and glowing lines.

Subscription & All-In: DMG MORI is continuously expanding its PAYZR offer – most recently with the CLX 450 TC turn-mill machining center for Equipment-as-a-Service and with up2parts for automated, AI-based proposal preparation (Software-as-a-Service).

DMG MORI

AKTIENGESELLSCHAFT

Hybrid in-house exhibition: In the run-up to EMO Milano, DMG MORI presented 25 completely climate-neutral high-tech machines at DECKEL MAHO in Pfronten – live on site and also digitally. DMG MORI received a development order for the digitization of tool manufacturing from its long-standing partner Schaeffler (below right).
