DMG MORI

The advertisement features a collage of images. The top left shows a scenic view of Pfronten with a mountain in the background. The top right shows two men in suits standing in front of a DMG MORI digital event display. The middle left shows a large industrial building with a green roof and several DMG MORI machines. The middle right shows a close-up of a gear cutting process. The bottom right shows a group of people walking through a DMG MORI exhibition area. The bottom center features the DMG MORI logo.

Live and digital: From 9 to 21 May, DMG MORI will be presenting innovations and future technologies at the Open House at DECKEL MAHO in Pfronten – for the first time for two weeks. Over 5,000 participants are expected to come and inform themselves about our latest technological developments.

Young talents: DMG MORI offers junior staff attractive, international and state-of-the-art training right from the start – the foundation for sustainable success. At around 10%, the training quota in our German production plants is constantly above the industry average.

DMG MORI

AKTIENGESELLSCHAFT

Proud of the training: Junior employees from DMG MORI are regularly among the best in their year. In March, a total of 60 young talents successfully completed their training – 7 of them with the overall grade “very good”.
