

DMG MORI

AKTIENGESELLSCHAFT

Intensive communication – open, honest, constructive: DMG MORI is strongly positioned with the strategic fit of automation, digitization and sustainability. At this year's live strategy information, all employees were able to ask the Executive Board live questions about DMG MORI's future focus, plans and goals.

DMG MORI

AKTIENGESELLSCHAFT

We love Automation: At the AMB (13-17 September) in Stuttgart, DMG MORI presented 22 high-tech machines – more than half of them equipped with innovative automation – as well as holistic technology solutions for the future of manufacturing.

DMG MORI

AKTIENGESELLSCHAFT

Continuity and stability: Motivated and committed employees are the key to success – in challenging times more than ever. In the wheel magazine assembly at DECKEL MAHO Pfronten, innovative spirit and engagement are encouraged.
