AKTIENGESELLSCHAFT

**Confident for 2023:** DMG MORI AG has made a successful start to the year under continued difficult conditions worldwide. Chairman of the Executive Board Christian Thönes: “This is thanks to a strong team and together, we continue to go full speed ahead. Based on the good business development in the 1<sup>st</sup> quarter, we confirm our forecasts for the full year.”

# DMG MORI

AKTIENGESELLSCHAFT

**Successful start to the year:** At the traditional Open House in Pfronten, DMG MORI already presented 7 world premieres to more than 6,000 international trade visitors. A large number of further innovations for EMO Hanover are already in the pipeline.

# DMG MORI

AKTIENGESELLSCHAFT

**The world's most modern assembly line:** The combination of machines, technologies, users, automation and digitization enables a high degree of process integration for resource-saving and efficient production.

# DMG MORI

AKTIENGESELLSCHAFT

**Sustainable production:** With high-precision machine tools and holistic technologies, DMG MORI makes a decisive contribution to a greener future. The manufacturing solutions are produced in a resource-saving manner, are of high quality, durable, recyclable and maximally efficient.
